UNDERSTANDING YOUR RIGHTEOUSNESS

Dear Partner,

The apostle Paul wrote,

The late E.W. Kenyon, an anointed pastor and gifted Bible teacher, wrote this profound statement about **righteousness**,

"When you learn to walk as Jesus walked, without any consciousness of inferiority to God or Satan, you will have faith that will absolutely stagger the world."

Many of God's people have never studied righteousness or even understood what it is. Then, when they don't see their prayers answered or God's promises manifested, they think the issue is a lack of faith and it's not. The real problem is UNDERSTANDING RIGHTEOUSNESS. "**The effectual fervent prayer of a righteous man availeth much**" (James 5:16).

When there is no understanding of righteousness, believers walk in what one man calls "vacillating faith." One minute they are declaring the Word of God and the next minute they yield to circumstances that put them in bondage to the things of this fallen world.

This month's partner letter is on **Understanding Your Righteousness**. It's a powerful letter and one you will want to read often.

Veronica and I pray for you every day. Thank you for being our Partner. We love you, and remember, keep walking by faith!
