***LIVING THE HIGHER LIFE***

Dear Partner,

Many Christians think that living by faith is hard when the truth is the exact opposite. Faith is the easiest, simplest and most exciting way to live. The life of faith only becomes difficult when you try to mix it with works.

Here's what the apostle Paul wrote,

**For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: not of works, lest any man should boast.** Ephesians 2:8-9

Do you remember how you got born again? Your experience may have been something like this: You heard that God loved you, Jesus died to pay the price for your sins, and God wanted to give you a brand new start (life). When you chose to **believe** and **act on** what you heard by faith, and when you prayed the sinner's prayer by faith...**a miracle** happened.

The process was simple, effortless, and in an instant, you became a "new creation," an heir of God, in Christ Jesus for all eternity. (See 2 Corinthians 5:17.)

In this month's partner letter, I write about **Living the Higher Life**, which is living according to the higher law of FAITH. It's an exciting letter!

Veronica and I love you and pray for you every day. Thank you for being our Partner.

As always, keep walking by faith!
