***CREATE YOUR FUTURE***

Dear Partner,

Jesus taught us an extremely important key to success...that we will reap the results of what we say. Why is this? Because words are how God created us to function in the earth. In the beginning, words were more for creation than communication.

Jesus teaches in Mark 11:23,

**For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith.**

In this month's Partner letter, I write about how speaking words to create and control things in our natural world is a Kingdom mystery that is foreign to most believers. I also share a personal experience of how my words were causing me to struggle in a certain area of ministry. Through revelation from the Holy Spirit, when I changed what I was saying, my struggles ended. Thank God for the Holy Ghost, our Teacher!

Veronica and I thank you for being our Partner. We love you and pray for you every day.

Until next time, keep walking by faith!

Your Partner and Friend,
